The references Immunovision (Brochure) "nRNP", and the Van Venrooij in the information disclosure statement filed July 5, 2007 have been crossed out and not considered because said references fails to comply with the provisions of 37 CFR 1.97, 1.98 (b)(5) and MPEP § 609. Specifically, said Immunovision reference and Van Verooij reference listed in an information disclosure statement fails to identify by publisher, author (if any), title, relevant pages of the publication, date, and place of publication. It has been placed in the application file, but the information referred to therein has not been considered as to the merits.
3. In view of the claims amendment filed September 23, 2008, the enablement and written description rejections of claims 17, 21, 70 and 72 under 35 U.S.C. 112, first paragraph have been obviated.

5. Authorization for this examiner's amendment was given in a telephone interview with James A Fox on December 30, 2008.
